Oakley Center Fellow are awarded \$4,000 in research support (please see website for spending guidelines.) Additional funds may be available for projects that require further resources. If you are requesting additional resources, please indicate the total amount below and attach a detailed budget to this application.

Are you applying for another grant for support during this period? (If yes, please indicate name of granting agency and date of award notification.)

This fellowship is a residential Fellowship, and fellows would work and interact at the Oakley Center. Do you intend to be in residence during this entire period? Do you have frequent or long-term travel plans?

PROJECT PROPOSAL

Describe your project in a two to four page proposal, including in the narrative: the significance of the project within your field of research, the methodology to be used and (if relevant) the nature of the data already collected, and the connection of the topic to associated theory and bibliography. If it is appropriate, the Center committee would be interested to learn of any interdisciplinary component in your research. In any case, it is essential to make your project description clear to an academic committee composed largely of individuals outside your field of specialty. Please include a description of the current state of the study and your plans for the proposed period of tenure at the Center (in support of your proposal, you may submit a recent article, book chapter or manuscript, 10-20 pages long).

Please submit a current curriculum vitae with this application.

Please **submit all materials as a single PDF file** to oakleycenter@williams.edu
